

We are the first to introduce colour-through glazing cassettes and the first to introduce the only traditionally rebated composite stable door. We now have the next generation composite doors. **The Curite Composite Door.**

All of our products incorporate the latest safety and locking systems to ensure long-lasting peace of mind. We consider every door to be bespoke, so do not be frightened to ask for that special something to make your door unique. After all, its first impressions that counts.

Nowadays we are all familiar with composite doors and as long as the doors are installed professionally, this product will give you lasting satisfaction. With our 10 year guarantee, you can buy with confidence.

Curite Composite Doors

Middlewood Farm, Threapwood, Cheshire. SY14 7AW
